Changes Literacy

Motheread, Inc. is a national, non-profit literacy development organization working throughout the United States to transform literacy practice in schools and homes.

In order to improve literacy skills for adults and children, programs need to have well-prepared and motivated staff. The Motheread, Inc. integrated approach to curriculum and training equips them to

- Change outcomes and expectations
- Build on research and evidenced-based practice
- Produce results that meet federal and state guidelines
- Create a powerful learning environment
